Hi, I'm Lloyd

Freelance Full Stack Developer and Computer Science Teacher

"Education is not preparation for life; education is life itself."

See my work | Let's Talk

Hi, I'm Saqlain, Web & App Designer

About

I am a highly experienced lea

development

I have a BSc in Computer Science and an MSc in e-Business Strategy and Systems from the University of Liverpool, as well as a distinction in Digital Media Design, MA, from Birkbeck University.

I hold several years of experience in a variety of leadership roles as member of the senior leadership team within schools, with a strong focus towards Computer Science teaching & pedagogy, curriculum development, project management, systems design and IT systems.

3 - could it be that they are small cards, that on hover provide a tooltip with detail?

Could be achieved in bootstrap?
